Private surroundings in charming Christianshavn

If the dream is a Copenhagen wedding in the middle of the city, with authentic details, exquisite food, and the water just a few metres from the front door, then the Annex at Christianshavn is the perfect location.

The Annex belongs to Restaurant Kanalen, which has delivered unforgettable dining experiences for over 30 years. Here, our guests are at the heart of everything we do - and we take great pleasure in creating weddings and parties tailored to the couple and their loved ones. There's space for 85 diners to sit at either long or round beautifully set tables, with direct access to 2 private courtyards.

The charm of the old nautical ceiling is steeped in its classical masonry, with its open fireplace and exposed beams. The perfect romantic setting - whether it's a winter wedding in front of the fire, or the summer wedding with a reception in the cobblestone courtyard.

The bliss of life

A wedding is an event filled with traditions, feelings, and expectations. Naturally, we will do our utmost to create an unforgettable day and celebration of love.

If the dream is a reception at sea, where you can raise your glasses in the evening sun on the city's canals, then larger tour boats can dock at Gammel Dok/Wilders Kanal, a few metres from the Annex.

A wedding in the Annex allows for all the best the city has to offer. The restaurant allows the bridal couple a grand entrance from the water.
